Rheumaticky Twinges

The kidneys play a vital part in maintaining the health of the whole body by filtering impurities and waste matter from the bloodstream. Faulty elimination by the kidneys means that these impurities remain in the system and can give rise to all sorts of rheumaticky symptoms, backaches, joint and muscle pains.

De Witt's Pills are specially compounded to assist sluggish kidneys back to normal. They also have a soothing and cleansing action on the whole of the urinary channels.

Prices
3/6 and 6/6
(plus Sales Tax)

De Witt's
PILLS

can be used with every confidence.
