

NEW "STRATO" CLIPPER

World's finest, most luxurious airliners offer
new Luxury in overseas air travel
AT REGULAR AIR TRAVEL FARES!

**FASTEST SERVICE TO
U.S.A. and ENGLAND**

Only Pan American flies these giant new airliners to America and England! Spacious and uncrowded the "Strato" Clippers offer scores of new luxuries at no extra fare: Bed-length Sleeperettes* . . . large, single-occupancy sleeping berths . . . club lounge on lower deck. Soon "Strato" Clippers will be on regular schedules direct from Auckland. Until then Pan American flights will connect at Fiji with the new "Strato" Clipper. Pan American "Strato" Clippers fly above the weather—wherever the air is smoothest. The pressurised cabin gives you living-room comfort at any altitude—even when the plane flies at 25,000 feet.

MAKE YOUR RESERVATIONS NOW!

2 Flights weekly to U.S.A. and ENGLAND, with stop-over privileges at Honolulu, and your choice of 4 arrival points in the U.S.A.

In the roomy club lounge on lower deck, you have your choice of refreshments. Steaming hot tea or coffee. Or your favourite beverage from the completely equipped bar. Here's a recreation room where you can meet people, walk around, admire the view from big, circular windows.

A small section of the huge main cabin. Note how much "strolling" room there is. Note big, comfortable Sleeperette seats. At the far left, a passenger is just coming up from the lower deck lounge. Exceptional washroom comfort. Extra large, single-occupancy berths at no extra cost.
