

Serve the Jellies with
DOUBLE the **FLAVOUR**

The Lushus FLAVOUR Bud gives Double the Flavour

Your family, your guests, will exclaim with delight when you serve those gorgeous Lushus Jellies. There's a very special reason why Lushus Jellies are twice as nice . . . it's the DOUBLE FLAVOUR Flavour Bud, with the concentrated flavour sealed in like milk in a coconut. Just add hot water, the "Bud" dissolves, and you get that twice-as-rich Lushus flavour.
