Trade names appearing in Commercial Division programmes are published by arrangement.

Two English vocalists who have become successful in recent months are Bob and Alf Pearson. Listen to 4ZB at 6.0 this evening for recordings by these singers.

David Rose, American maestro and composer, who has added new tone colours and orchestral voicings to the light concert style of music, is featured from 1ZB today at 2.15 p.m. in a group of his own compositions.

Much water has passed under the bridge since Fred Astaire sang that old Cole Porter favourite about "Putting on the Top Hat, tying on a White Tie and girding on the Tails." Then he was a comparative newcomer to films and recordings. He is still a versatile artist and at 9.45 tonight 2ZA listeners will hear him in the session "Step this way with Fred Astaire."
