In Seven Days Fiery, Itching Skin Gets Sure Relief

Here is a wonderful prescription now sold by chemists at small cost, that will help you get rid of unsightly spots from skin diseases.

Not only is this great oil antiseptic, but it promotes rapid and healthy healing in eczema spots and sores. The itching of eczema is instantly stopped; the eruptions dry up and scale off in a very few days. The same is true of barber's itch, salt rheum and other skin eruptions and inflammation.

Chemists everywhere sell **Moone's Emerald Oil** under a strict money-back guarantee. It is completely safe to use, and failure in any of the ailments noted above is rare indeed.
