*the A40
'Countryman'
by Austin of England*

Although ideally suited for work on estate or farm, the A40 Countryman is quite at home in the city where its lively performance and manoeuvrability

simplify the negotiation of congested streets. New, up-to-the-minute features include: body and cab of all-metal unit construction; vertical

van-type rear doors; rear seat folds flush with floor to allow for 10 cwt. of goods; new, modern and distinctive fascia.

See the A40 Countryman — another in the family of vehicles that bear the famous phrase — *Austin of England.*

AUSTIN — you can depend on it!
