Magic on the Air

WHEN magicians get together almost anything might happen, and as can be seen below, all sorts of strange things do in fact occur. Our photograph shows some of the members of the Auckland Brotherhood of Magicians at one of their regular monthly meetings. Recently Rex Sayers, of 1YA, was a guest at such a gathering, and listeners will find out what happened if they tune in at 7.30 p.m. on Saturday, May 3. (See page 14)

De Witt's Pills

..how they may help you

If the kidneys do not carry out their work properly, you cannot maintain good health. The reason is that the kidneys cleanse the bloodstream by filtering impurities from the system. If, however, they become sluggish, these waste matters remain in the body.

Sluggish kidneys, therefore, may be the cause of many of your rheumatic symptoms, backaches, joint and muscle pains.

Many people have found that when faulty kidney action is suspected, De Witt's Pills, taken regularly, help to restore the kidneys to normal healthy activity. Prices 4/- and 7/- (inc. tax).
