Fourpence

National Publicity Studios photograph
MEMBERS of the National Band of New Zealand pose for their first official photograph, on the steps of Parliament Buildings, with leading Parliamentarians and officials (see page 6)

The recent fires near Lake Te Anau menaced the whole of that famous scenic area. One fire dangerously threatened the "Notornis" country and could have wiped out the last survivors of that rare species. So that if our forests are to remain for our use and pleasure, vigilance and scrupulousness can never be relaxed.
