The Paul Lombard Orchestra has a reputation in Australia for Latin American style and some of its efforts have been equal to any genuine tango or samba band from South America. This group will be heard from 2ZB at 7.45 tonight.

"Because an arrangement will not last for ever, it must be understood and enjoyed at once," is the simple philosophy of popular music to which Percy Faith attributes his success; and success he has had a plenty in the United States and Canada. "Music by Faith" will be heard from 3ZB at 6 o'clock tonight.
