Five Good Reasons Why You Want An "AERITROL"

Marvellously Improved Reception (at our risk)

- (1) It will separate interfering Stations.
- (2) It will reduce noise level and interference.
- (3) It will increase volume on weak stations.
- (4) It will eliminate outdoor and indoor Aerials, acting as a perfect Aerial Eliminator.
- (5) It controls the volume from powerful local stations.

Installed in a few minutes without tools. Try it at our risk. Send for an **AERITROL** today. Try it in your own home for seven days. If at the end of that time you are not thoroughly satisfied with it, return it and we will refund your money in full. Full instructions with each unit.
