OUT OF SORTS? NOT ME!

Like so many girls these days, I'm definitely career minded and I know that if I'm to hold down a good job, I just can't afford to have off days. That's why I depend so much on my daily pinch of Kruschen.

Millions of people the world over testify to the tonic effect of Kruschen Salts and from my own experience I can back up everything they say. No matter how sluggish I feel on waking, I start to pick up soon after I've had a little Kruschen in my early morning cup of tea.

Why not banish your off days, as I have done with a daily pinch of Kruschen Salts. Buy Kruschen today and take it every day. Available at all Chemists and Stores.

Manufactured in New Zealand for E. Griffiths Hughes Ltd., England. New Zealand Agents: Fairbairn Wright Ltd., Auckland, Wellington, Christchurch, Dunedin and Invercargill. K1
