

"Bill, I'm a COMPLETE FARMER"

I plough... cultivate... sow
and harvest...

Go power farming with your New Fordson Major — the world's newest tractor — and the greatest value. This versatile, economical power unit, which can be used with so many implements on the farm and in industry, cuts costs by faster operation on every job. Both tractor and farm implements shown in this advertisement are available from your nearest of the 80 Ford Dealers.

new and that's only half the story with my
