Florence Desmond has earned an international reputation for her impersonations of film stars. Some of these have earned her the enmity of the stars, but most of them have taken her efforts in good part. She may be heard in these clever skits at 3.45 this afternoon from 2ZB.

To lovers of military bands and band music there is nothing so stirring as the sight and sound of a Guards Regimental Band on the march. The various English Guards Regiments have the best soldiers in the world in their ranks, and each Regimental Band is looked upon as the peak of perfection from musical and military angles. At 5.15 this evening 3ZB listeners will hear martial music with items contributed by bands of the various Guards Regiments.

Two new features will be heard tonight from Station 2ZA. The first broadcast of "Special Assignment" takes the air at 7.45, and at 9.0, 2ZA listeners will hear the first broadcast of "Night Beat," a series of self-contained plays.
