Trade names appearing in Commercial Division programmes are published by arrangement.

It is quite a few years now since Lucienne Boyer became famous for her singing of "Speak to Me of Love" but it still remains one of the most popular songs in her repertoire. In her current tour of America it has been one of the most asked for ballads. It will be included in her programme from 2ZB at 2.15 today.

It's many years since Carl Brisson has appeared in films, but his pleasing voice is still on records. This noted Danish tenor made a name for himself in musical comedy before migrating to Hollywood where his handsome appearance, fine voice and ability as an actor soon brought him into prominence as a screen star. 4ZB will bring you recordings by this artist today at 4.0.

The first episode of a new morning serial will be broadcast from Station 2ZA today. It's called "Delia of Four Winds," and it will be presented at ten o'clock.

The same amount of fuel

can take you up to 10% farther

...and you get all that power you're paying for, too!

3 out of every 4 cars fail to deliver the power or mileage their owners pay for. Sluggish combustion...unignited, wasted fuel...fewer miles per gallon—all can be traced to worn, dirty spark plugs.

Once your car is equipped with a new set of full-firing Champion Spark Plugs, however, you can depend on getting up to 10% more mileage and full engine power.

Champion's full-firing spark delivers the full power built into your engine
