The closing chapter of a popular and exciting feature, "Notorious," is to be broadcast from 1ZB today at 10.30 a.m., and will be replaced by an entertaining new serial entitled "David's Children," which commences on Thursday, at 10.30 a.m., and continues every Monday at 10.0 a.m. and Thursday at 10.30 a.m.

When Sidney Torch made his famous recording of "Coronation Scot," named after the famous engine, he did two separate versions, one with English train effects for the British markets, and another featuring American sound effects for the Transatlantic market. In March of this year an American recording company released "Coronation Scot," but not the "American" version, as they thought the English train noises sounded more exciting. Sidney Torch and his Orchestra will be heard from 3ZB at 3.30 this afternoon.

At half-past seven this evening, 2ZA broadcasts the final episode of "The Devil of the Deep," from the Jack McLaren series "Sagas of the South Seas."

... and you get all that power you're paying for, too!

3 out of every 4 cars fail to deliver the power or mileage their owners pay for. Sluggish combustion... unignited, wasted fuel... fewer miles per gallon—all can be traced to worn, dirty spark plugs.

Once your car is equipped with a new set of full-firing Champion Spark Plugs, however, you can depend on getting up to 10% more mileage and full engine power.

CHAMPION SPARK PLUGS

Champion's full-firing spark delivers the full power built into your engine
