WAKE UP YOUR LIVER BILE —

Without Calomel — And You'll Jump out of Bed in the Morning Full of Vim.

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Wind bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, tired and weary and the world looks blue.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good old Carter's Little Liver Pills to get those two 'pounds' of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely.

Ask for CARTER'S Little Liver Pills by name. Stubbornly refuse anything else. Distributors: Fasset & Johnson Ltd., Levy Buildings, Manners Street, Wellington, C.S.

Crosby Again

AMONG America's rugged, self-made men there is one said to have made a million by his ability to look as if he isn't going very far and doesn't care. In a business where everybody strains to be funny or distinguished or charming, he is relaxed. According to Dinah Shore, "he sings the way everybody thinks they sing in the shower."

Both the above-mentioned characteristics may have helped Bing Crosby make a fortune, but anyone who has noted the wealth of meaning he can put

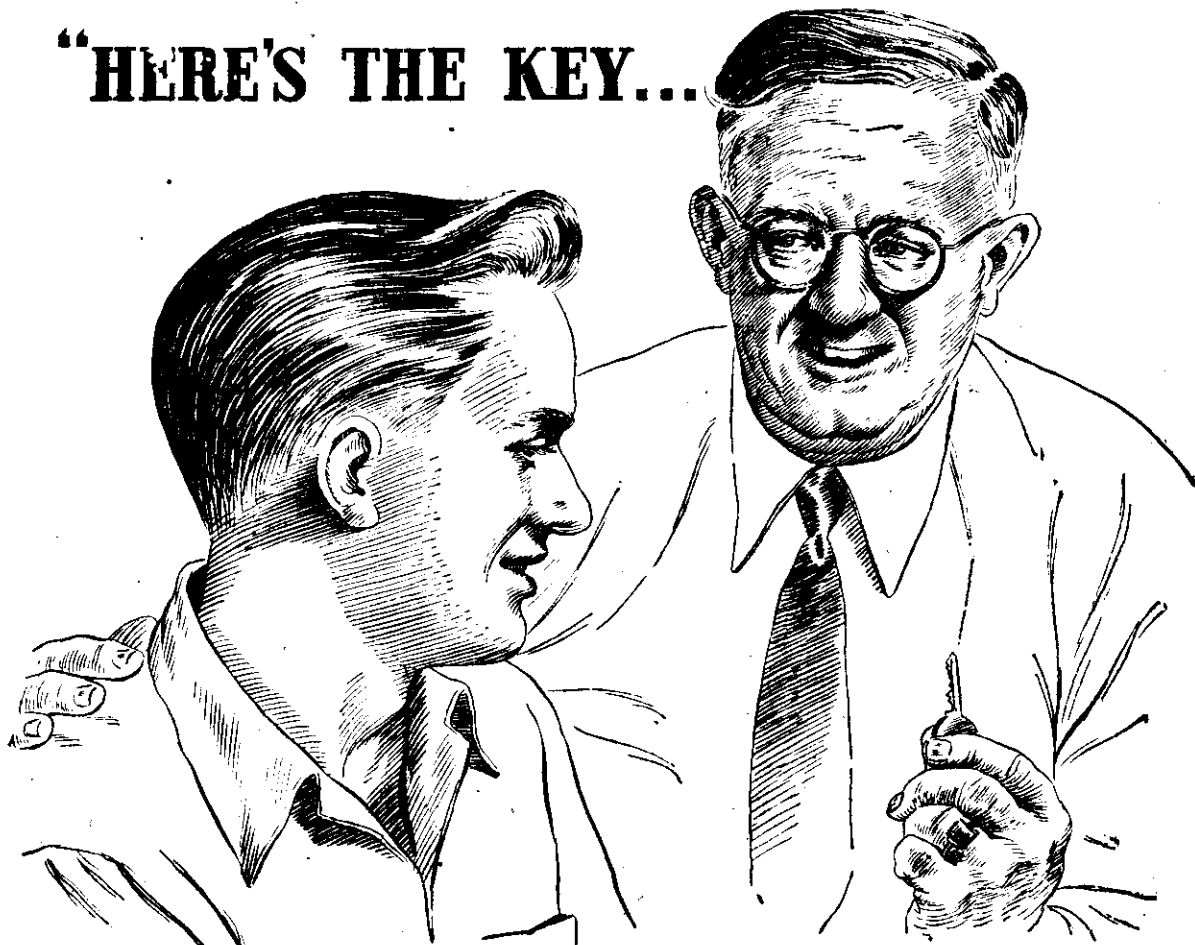

BING CROSBY
The mixture as before

in a mild "tut tut" to his old enemy Hope will realise he also has the comedian's gift. His choice of songs, too, is carefully calculated to command the allegiance of the millions who are unashamedly sentimental.

At all events Bing Crosby is still a top favourite after 20 years in the limelight, and many listeners will be pleased to hear he'll be back on the air in New Zealand shortly. A new series of the Voice of America's *Bing Crosby Show* is scheduled to play from the commercial stations on Sundays, beginning September 20. It will be heard from 12B at 4.0 p.m. and from 22B, 32B, 42B and 22A at 9.0 p.m.

As before, a number of guest artists will appear in the show, and those to be heard in this series include Bob Crosby, Humphrey Bogart and Lauren Bacall, Fran Warren and James Stewart, Donald O'Connor, Marlene Dietrich, Judy Garland (twice), Rosemary Clooney and Joe Venuti.

"HERE'S THE KEY..."

... and ... good driving manners come into the picture; courtesy is the oil that makes the wheels of life turn smoothly. Never mind the other man's lack of them; you show your manly worth by everyday politeness. The car is yours because we trust you. It has cost a lot of money, and its running charges and insurances are not trifles. Keep them in mind when you are in charge, and please also think of this: apart from the risk of mutilating yourself or some other human being, through an accident that commonsense could have avoided, you will have betrayed our faith in you. ... Now take the car, and have a good time!"
