INTERIM SECRETARY:
Urquhart Macpherson.

The object of this Company is to supply the great and daily increasing want of house accommodation in the City of Dunedin. The Company purpose purchasing eligible sites in the city and suburbs, and erecting thereon substantial buildings, suitable for all classes. The houses, when finished, will be open for purchase by shareholders on deferred payment or otherwise, as may be agreed upon. When purchased on deferred payment, the cost of freehold and building will be treated as a loan to the purchaser, to be repaid in a certain number of years by weekly or monthly instalments, which will not materially, if at all, exceed the usual rent charged at the present time for a similar class of use.

To secure the co-operation of those who will most largely take advantage of the benefits to be derived from purchasing houses from the Company, shares will be issued on the Building Societies' plan, to be paid up in full to the ultimate value of £10 per share by monthly subscriptions.

These shares will not affect the issue, or in any way interfere with the £5 shares, forming the permanent capital of the Company, though they will participate in the profits, and can remain, if desired, as a permanent investment or should the holder become a purchaser one of the Company's houses, the amount paid up may be used by way of deposit on the purchase.

The Interim Secretary will be glad to supply full information to intending subscribers. Applications for Shares will be received
