IMPORTANT NOTICE.

## DO NOT PURCHASE IMPORTED SWEETS.

Professor Black reports upon 14 samples of imported sweets, purchased by Mr. Lumb from various confectioners in Dunedin for analysis, and of which the following is a

14 SAMPLES OBTAINED FROM VARIOUS CON-

PECTIONERS IN DUNEDIA.

Nos. 419 to 432 Sweets are all abjectionable, owing to the large quantity of Sulphate of Line (Plaster of Paris), or other earthy matter, they contain. The coloring matter is also objectionable, being partly Prussian Blue. I consider those far inferior to those of local manufacture which I have analysed.

Professor BLACK again reports upon 23 SAMPLES TAKEN BY INSPECTOR LUMB

from the Manufactory of

MESSRS. R. HUDSON AND CO.,

as follows:
Nos. 395 to 378, Samples of various kinds of sweets, biscuits, &c., the sweets do not contain Plaster of Paris, Sulphate of Lime, Starch, Flour, or any objectionable coloring matter, or any deleterious ingredients. The absence of Plaster of Paris, or any objectionable coloring matter, recommends these sweets strongly. They are, in my opinion, a very superior article.

Biscuits, Cakes, &c., &c., contain no ingred-ient deleterious to health. They are all skilfully manufactured, well fired, and should take a good position in the market.

EXCELSIOR STEAM CONFECTION AND BISCUIT FACTORY. MASONIC HALL, DUNDEIN.

R. HUDSON AND CO.
