We believe that the fundamental principle which ensures success
in business is that each transaction should prove equally beneficial to
the two contracting parties—the buyer and the seller. This principle
we have developed to the very utmost in our scheme for supplying a
First-class pair of

ELASTIC SIDE OR BALMORAL BOOTS

at the
MINIMUM PRICE OF 20s.

The quality of our Boots equals any of the high-class productions
of the best makers in Dunedin, and gentlemen who purchase such
goods will know that the price hitherto has been seldom, if ever, under
25s or 35s. The benefits which gentlemen derive from this scheme are
thus as real as they are apparent; while the "sweet simplicity" of
Cash Payments frees us from bad debts, and a great many other evils
which attend the credit system.

COMMERCIAL.

MR. HENRY DRIVER, on behalf of the New Zealand Loan and
Mercantile Agency Company, reports as follows for the week ending
August 16, 1876:—

Fat Cattle.—140 head were yarded this morning. The quality
was only medium, but prices showed a slight improvement on our late
quotations, which we hope will continue. Best bullocks brought from
£12 10s to £15; do cows, £7 10s to £10 10s—or equal to 35s per
100lb for prime quality. We sold 50, at yards, on account of Mr.
Thos' Christie and others.

Fat Sheep.—1,500 came forward, and the whole found buyers at
an advance on last week's rates of at least 1s. Best cross-breeds
brought 13s to 15s 9d; merinos, 7s 6d to 10s—or equal to 3d per lb
former, and 2½d latter. We sold 800 at the yards.

Store Cattle and Sheep.—Nothing has been doing in this class of
stock.

Wool.—We have cablegram from our London Office, August 5th,
close of the sales:—"The principal decline has been in scoured.
Nearly all descriptions have advanced ½d to 1d. The principal advance
has been in cross-bred, medium, and inferior greasy." The bottom of
the fall apparently having been reached, the slight advance advised
may be maintained, and the market resume a more healthy tone.

Sheepskins.—There was a full supply at our auction sale this
afternoon; last week's rates barely maintained. Butchers' green
cross-breeds, 3s 3d to 3s 9d; merinos, 2s 4d to 2s 11d

Grain.—The wheat market continues quite bare of supplies, either
by rail or coastwise. Sound milling samples are ready sale at 5s; the
need of some millers' might cause even a higher rate to be paid. Oats
are temporarily exceedingly scarce—any good feed samples picked up
at 1s 11d; milling, 2s. Barley is still dull—prices unaltered. Malt-
ing samples, 4s to 4s 6d; milling, 2s 9d to 3s; feed, 2s to 2s 6d.

MR. SKENE reports for the week ending August 16, as follows:—
The labor market is very quiet, and animation need not be looked for
for a good while yet. Most of the unemployed are those who know
no work in particular. As to farm people the demand is always good,
wages in most cases are feeling the fall in wool, and none but reason-
able men give into it with a good grace. Couples are in good demand.
The building trade is wonderfully busy for the season. It is very
difficult to secure really experienced female servants. Only an odd
storeman or clerk is needed. Shepherds will not be in demand for a
month. Wages—Couples, £65, £70, and £80; ploughmen, £52, £55,
and £60; cooks, waiters, grooms, gardeners, &c., 20s, 30s, and 50s;
carpenters, 10s to 13s per day; day labor, bush, road, and rail, 7s, 8s,
and 9s; dairy, 15s and 20s; boys and girls, 6s to 10s; storemen and
clerks, 35s to 50s.

MR. A. MERCER reports as follows for the week ending August 16,
1876, retail prices only:—Fresh butter, in ½ and 1 lb. prints, 2s 2½ to 2s
4d; powdered and salt butter, 1s 8d to 1s 10d. Fresh butter is much
more plentiful than it was, and the prices are not likely to rise any
more. Salt butter is very plentiful, and can be bought at any price by
the keg. Cheese, best quality, 1s 2d per lb; side and rolled bacon, 1s;
Colonial hams, 1s 3d; English hams, 1s 6d to 1s 8d. Eggs still sell
well at 2s to 2s 3d per doz.

Messrs. M. and J. MENNAN, George Street, report the following
as the latest quotations:—Flour—Large bags, £11 10s; small do, £12
per ton. Oatmeal—£11 per ton. Pearl barley—£22 per ton. Bran
—£5 5s per ton, including bags. Pollard—£6 per ton. Chaff—£4 per
ton. Hay—£3 15s to £1 per ton. Potatoes—£3 15s to £4 per ton.
Carrots—£2 10s per ton. Wheat—1s 6d to 1s 9d per bushel. Bai-
ley—2s 9d to 3s 6d per bushel. Oats—1s 9d to 1s 11d per bushel.
Cheese—10d to 11d per lb.
