[CIRCULAR.]

THE success attending our efforts to produce DUNEDIN made GARMENTS of a Superior Class at very little over the cost of English Slops, has caused us to abandon to a large extent the importation of Goods ready made, and to give increased attention to manufacturing.

The favourable position we occupy as BUYERS in the Home Market, combined with economical management and most advantageous arrangements for manufacturing here, enables us to produce FIRST-CLASS CLOTHING of every class, and for every age, which for style, fit, and finish, will compare with bespoke goods, at prices which challenge competition.

We are at present showing and making up a splendid lot of SEASONABLES.

WE INVITE INSPECTION.
