WANTED KNOWN—CHEAP BOOTS
CHEAP BOOTS.
TO THE PUBLIC.

We believe that the fundamental principle which ensures success in business is that each transaction should prove equally beneficial to the two contracting parties—the buyer and the seller. This principle we have developed to the very utmost in our scheme for supplying a First-class pair of

ELASTIC SIDE OR BALMORAL BOOTS

at the

MINIMUM PRICE OF 20s.

The quality of our Boots equals any of the high-class productions of the best makers in Dunedin, and gentlemen who purchase such goods will know that the price hitherto has been seldom, if ever, under 25s or 35s. The benefits which gentlemen derive from this scheme are thus as real as they are apparent; while the "sweet simplicity" of Cash Payments frees us from bad debts, and a great many other evils which attend the credit system.

COMMERCIAL.

MR. HENRY DRIVER, on behalf of the New Zealand Loan and Mercantile Agency Company, reports as follows for the week ending August 30, 1876:—

Fat Cattle.—130 head were yarded at the sales to-day, chiefly of good to prime quality, including a splendid draft from Mr. John Grigg's estate, Longbeach, Canterbury. The prices realised showed a slight advance on our late quotations—being, for best pens of bullocks, £12 to £16 5s each; ditto cows, £10 to £13—or equal to 35s per 100lbs. A few prime pens brought at the rate of 37s 6d. We sold 103 head at the yards, on account of Messrs. John Grigg, W. R. Thomson, James Gall, and others; and have placed privately 50 head at above rates.

Fat Sheep.—1,300 were penned, and this number being only a short supply, there was a considerable advance on late prices, and an unusually active competition on the part of the trade to obtain their requirements. We quote best cross-breeds at from 14s 6d to 17s; medium ditto, 11s to 13s 6d—or equal to about 3d per lb.

Store Sheep.—At this season of the year but little is done in this class of stock.

Store Cattle.—No business of importance has been transacted.

Wool.—By Suez mail, on the 25th, we received later catalogues of July sales, which fully confirm a decline in prices of 30 per cent from June, 1875, all descriptions being involved in the fall, which it is, however, satisfactory to know has been followed before the close of the sales by an advance of from 10 to 15 per cent from lowest prices.

Sheepskins.—We sold a full catalogue at our auction this afternoon, realising very full prices, in some instances a slight advance on last week; butchers' green cross-breeds bringing from 3s 4d to 4s 7d each; merinos, 2s 7d to 3s.

Hides are again lower this week; few sold.

Tallow.—We sold some parcels of country-rendered, fair quality, at £27 to £29.

Grain.—Wheat continues very scarce, none coming forward excepting to millers' orders. Present value for good milling, 5s to 5s 3d. Oats are not much in demand this week, but few offering; prices are firm—for feed, 1s 11d to 2s; milling, 2s 1d to 2s 2d. Barley is very dull, brewers not buying; for good samples, which are scarce, holders are firm at 4s 6d; milling samples, 2s 6d to 3s; feeding, 2s.

MR. SKENE reports for the week ending August 30, as follows:—The labor market still bears a very quiet aspect, more especially for town wants. A good many unsuitable people hang about town; but no man or woman fitted for country work need be any time out of work. Wages are slightly back from last year, but industrious people are never grudging good money. Couples are quieter than last week. Female servants of all sorts are very much needed. Many late arrivals, fresh from city life, are badly off; they expect too much. Wages—Couples, £65 to £80; ploughmen, £52 to £60; shepherds, £60 to £70; day labor, 8s and 9s; general female servants, 10s, 12s, 15s, and 30s; cooks, waiters, gardeners, grooms, &c., 25s to 40s per week; dairy hands, 15s to 25s; boys, 10s; storemen and clerks, 36s to 60s; carpenters, 10s to 13s.

MR. A. MERCER reports as follows for the week ending August 30, 1876, retail prices only:—Fresh butter, in 1/2 to 1lb. prints, 1s 9d to 2s; fresh butter, in lumps, 1s 8d; powdered and salt butter, 1s 6d. Fresh butter is now very plentiful, and prices are now falling; salt butter is also plentiful, and quite a drag in the market. Cheese, of the best quality, 1s 2d; side and rolled bacon, 1s; Colonial hams, 1s 3d; English hams, 1s 6d to 1s 8d; eggs are very plentiful, and retailing at 1s 3d to 1s 6d per dozen.

MESSRS. M. and J. MEENAN, George Street, report the following as the latest quotations:—Flour—Large bags, £12; small do, £12 10s per ton. Oatmeal—£11 per ton. Pearl barley—£22 per ton. Bran—£5 5s per ton, including bags. Pollard—£6 per ton. Chaff—£4 per ton. Hay—£3 15s to £4 per ton. Potatoes—£3 15s to £4 per ton. Carrots—£2 10s per ton. Wheat—4s 6d to 4s 9d per bushel. Barley—2s 9d to 3s 6d per bushel. Oats—1s 11d to 2s per bushel. Cheese—10d to 11d per lb.

MR. J. VEZEY reports for the week ending August 30, 1876:—Retail: Roast beef, 6d to 8d per lb.; boiling do., 4d to 5d per lb.; stewing do., 4d to 6d per lb.; steak, 6d to 9d per lb.; mutton, 3d to 6d per lb.; veal, 4d to 8d per lb.; pork, 9d to 10d per lb.
