R O B E R T D A V I S

GEORGE STREET,

Practical Watch and Clock Maker, Importer of Watches, Clocks, Jewellery, Electro-plate and Jet Goods, &c., &c., has lately arrived from England and opened premises as above.

TO BE SOLD AT LONDON PRICES,

The following just opened, ex Zuleika:—

Electro-plated spoons, forks; salt cellars, cases of four, napkin rings, cruets, silver, claret jugs, &c., suitable for christenings, wedding, and birthday presents.

Especial attention is directed to these being plated on a hard white metal, clean the same as silver, wear the same as silver, and are undistinguishable from real silver; are only surpassed in durability, by solid silver itself, are the best quality manufactured; and the prices are the lowest at which the best quality can be supplied.

The following always on hand:—Gold and silver watches, Geneva and lever do, guards, alberts, brooches, earrings, and half suite of the newest designs in Colonial and English sold in large varieties studs, links, solitaires, thimble, ear wires, marble and wood clocks, 30-hour and 8-day patent and alarums (a novelty).

Gentlemen's London made silver English lever hunting watches, £8. Gold do, with compensation balance (best finish), £28.

Watches and clocks repaired on the premises. Ears pierced gratis. Jewellery neatly repaired.

ROBERT DAVIS

(Three doors from Esther and Low's),
GEORGE STREET.

C E D A R! C E D A R!! C E D A R!!!

F I N D L A Y A N D C O.,

Beg to intimate that they have now landing, direct from Brisbane, Queensland, ex brig Pakaha, 109,000 super. feet of picked CEDAR LOGS of a very superior quality, 8 feet to 20 feet girth, and are prepared to supply the trade with the same at the following prices:

1in. and upward, 6d per foot
3in. " 5d "
4in. " 4d "

To Cabinetmakers and Others.—We would call special attention to the fact that all our timbers for cabinet work are sawn by the latest improved vertical saw-frames, capable of cutting boards any thickness, and up to 60in. wide.

All orders will receive prompt attention.

NOTE.—Our revised Trade List of Manufactured Goods is now ready and will be forwarded to Builders and Contractors on application.

OTAGO STEAM SAW MILLS,

Cumberland, Stuart, and Castle-streets, Dunedin.

W A N T E D K N O W N - C H E A P B O O T S

C H E A P B O O T S .

TO THE PUBLIC.

We believe that the fundamental principle which ensures success in business is that each transaction should prove equally beneficial to the two contracting parties—the buyer and the seller. This principle we have developed to the very utmost in our scheme for supplying a

First-class pair of

ELASTIC SIDE OR BALMORAL BOOTS

at the

MINIMUM PRICE OF 20s.

The quality of our Boots equals any of the high-class productions of the best makers in Dunedin, and gentlemen who purchase such goods will know that the price hitherto has been seldom, if ever, under 25s or 35s. The benefits which gentlemen derive from this scheme are thus as real as they are apparent; while the "sweet simplicity" of Cash Payments frees us from bad debts, and a great many other evils which attend the credit system.

LEAR'S CELEBRATED BOOT & SHOE STORE,
(Next Craig and Gillies', George-street.)

DUNDAS STREET,

NEAR THE LEITH BRIDGE,

DUNEDIN.

COMMERCIAL.

MR. HENRY DRIVER, on behalf of the New Zealand Loan and Mercantile Agency Company, reports as follows for the week ending September 6, 1876:—

Fat Cattle.—140 head were yarded, and all sold at about last quotations. Best pens of bullocks brought £14 to £17; do. cows, £8 to £12—or equal to 37s 6d per 100lb. for prime quality. A few of the best bullocks were unusually fine and heavy weights.

Fat Sheep.—2,300 came forward, and all found buyers at prices slightly lower than last week's rates. We quote best cross-breeds at 12s 6d to 15s; medium do., 11s to 12s 6d; merinos, from 9s to 12s 6d—or equal to 3d per lb. for former, and 2½d latter. We sold 1,200 at yards, and have placed 1,000 privately at quotations.

Store Cattle and Sheep.—Nothing to add to last week's report.

Wool.—No further advices per cable to report. San Francisco mail due in Auckland on the 10th will bring later catalogues of the July sales. No wool offering here.

Sheepskins.—At our weekly auction this afternoon we catalogued 1,200 skins, which sold at very full rates, butchers' green cross-breeds realising 3s 8d to 4s 2d; dry cross-breeds, 2s 11d to 3s 6d; merinoes, 1s 5d to 2s 11d; pelts, 3½d to 6d.

Hides.—We sold 150, principally wet salted. Heavy weights, 15s to 17s 3d; medium, 13s to 14s 9d; inferior and light, 9s 6d to 12s, or 3d to 3½d per lb.; green butchers' 16s 9d to 18s.

Tallow.—A few lots of inferior sold at 23s 6d to 27s 6d for medium.

Grain.—The only wheat arriving is coastwise, to millers' orders. We quote wheat, good milling, ready sale, at 5s 6d—a price which should be taken advantage of, as several cargoes are afloat from San Francisco, the low prices in Great Britain having turned the attention of shippers there to these colonies. The expectation of importations to Auckland has kept flour in that market from answering to the advance which has taken place in this market. Oats are still hardening from scarcity of supply. Feed is selling at 2s to 2s 1d; milling, 2s 2d to 2s 3d. Barley continues dull, prices nominal; 4s to 4s 6d, good to prime malting; dark and inferior, 3s 4d to 3s 6d; milling, more inquiry, at 2s 6d to 2s 9d.

MR. SKENE reports for the week ending September 6, as follows:—Prospects in the labor market are gradually improving, and inquiries are being made for station couples. The broken weather is not over yet, and laborers must not look for regular time for a month yet. Couples are quiet. The building trade is fairly active for the season. Ordinary trade is still quiet, consequently inquiry for shopmen and clerks is slack. Female servants are almost out of the market. We can do with a few shipments of good useful female servants; by all accounts, the old country cannot spare such. Inquiry for ordinary labor is improving. Wages—Couples, £65 to £80; shepherds, £60 to £65; ploughmen, £52 to £60; day labor, 7s, 8s, and 9s; carpenters, 10s to 13s; dairy people, 15s to 25s; house girls, 10s, 12s, and 15s; hotel girls, 15s to 30s; gardeners, grooms, cooks, barmen, waiters, 25s to 50s per week.

MR. A. MERCER reports as follows for the week ending September 6, 1876, retail prices only:—Fresh butter, in ½ to 1lb. prints, 1s 9d to 2s; fresh butter, in lumps, 1s 8d; powdered and salt butter, 1s 6d. Fresh butter is now very plentiful, and prices are now falling; salt butter is also plentiful, and quite a drug in the market. Cheese, of the best quality, 1s 2d; side and rolled bacon, 1s; Colonial hams, 1s 3d; English hams, 1s 6d to 1s 8d; eggs are very plentiful, and retailing at 1s 3d per dozen.

MESSRS. M. and J. MEENAN, George Street, report the following as the latest quotations:—Flour—Large bags, £12 10s; small do, £13 per ton. Oatmeal—£11 per ton. Pearl barley—£22 per ton. Bran—£5 15s per ton, including bags. Pollard—£6 per ton. Chaff—£4 per ton. Hay—£3 15s to £4 per ton. Potatoes—£3 15s to £4 per ton. Carrots—£2 10s per ton. Wheat—4s 6d to 4s 9d per bushel. Barley—2s 9d to 3s 6d per bushel. Oats—1s 11d to 2s per bushel. Cheese—10d to 11d per lb.

MR. J. VEZEY reports for the week ending September 6, 1876:—Retail: Roast beef, 6d to 8d per lb.; boiling do., 4d to 5d per lb.; stewing do., 4d to 6d per lb.; steak, 6d to 9d per lb.; mutton, 3d to 6d per lb.; veal, 4d to 8d per lb.; pork, 9d to 10d per lb.
