DUNEDIN.

They beg to intimate to Builders, Contractors, and the Public generally, that having just completed extensive alterations to their Plant and Premises, they are now in a position to execute all orders entrusted to them with the utmost despatch.

All the Machinery is on the best and most modern principles; customers can, therefore, rely upon all work being done in the best possible manner.

We would call special attention to our Door, Sash, Turnery, and Moulding Department, as recent improvements have enabled us to turn out large quantities of the best finish and design.

As we import large quantities of our Colonial timber in bulk, we are prepared, with our large sawing appliances, to cut on the shortest notice to any size.

Our stock, which comprises all the requirements of the Building Trade—including Builders' Ironmongery of every description—is at present too large to be noted in an advertisement.

Our very large Shed and Building Accommodation enables us to keep all stock suitable for up-country purposes, or which would be injured by exposure, completely under cover.

All Orders, coastwise or up-country, shall receive our best attention.

NOTICE OF PARTNERSHIP

MISS BROWNLIE begs to intimate that she has this day admitted into Partnership her sister, Barbara Douglas Brownlie, and that they will henceforth be known as and trade under the name or designation of H. and B. BROWNLIE, Milliners and Baby Linen Importers.

Miss B. Brownlie has just arrived from Home, after an absence of two and a-half years, during which time she was most successful in establishing agencies in London and Glasgow, inasmuch as the buyers in each of these places have had a life-long experience in buying for the Colonial trade, one of them visiting Paris once a month during the millinery season. Ladies can now depend upon a regular supply of the choicest styles of M. M. Worth and Pingat, Mesdames Leferrier, Aentenauer, &c., &c.

As this is the only House in town which devotes itself exclusively to the sale of Millinery and Baby Linen, ladies will at once perceive that we are in a much better position than other houses to suit their requirements in these special departments.

In consequence of the steady increase of our business, and to make way for our Expensive Stock, alterations and improvements have been made in the Shop and Show-Room, where Miss Brownlie will now have the valuable assistance of her Sister as Saleswoman.

The Work-Room, which for the last three years has been under the able management of Miss Bella Guthrie, has also been altered and extended to accommodate our Staff of Milliners for the Summer Season.

Miss Brownlie would take this opportunity of thanking the Ladies of Dunedin and Port Chalmers for the very cordial and liberal support they have given her since she began business—three and a-half years' since—and to assure them that no effort will be wanting on her part to retain the confidence they have always placed in her.
