**APPEAL TO THE INTELLIGENCE AND
COMMON SENSE OF THE PEOPLE
OF DUNEDIN.**

AN Attempt having been made to dupe and delude the Citizens by false representations in the form of Bombastical Advertisements of Trashy Slop made Clothing, the public are respectfully requested to be guarded against those Impostures which, being of necessity sold at lower prices are in the end very much dearer than Clothing obtained of a respectable professional Tailor, seeing that the materials used in the manufacture of these slop goods are of the meanest qualities made up, so as to deceive persons who are not judges, and in which there is really no wear or durability, from the utter absence of Conscientious Workmanship in the putting together of these

SHAM MATERIALS, as well as the want of taste displayed in the style of these misrepresented Garments. The Public will doubtless be easily convinced that it is always better to go to a respectable and thoroughly professional Tailor, one who is a **FIRST-CLASS CUTTER,**

And thereby insure a Perfect Fit. **MR. G. EVE,** in making this appeal, begs most respectfully to state that, whilst giving a Good Fit, and in the

NEWEST STYLE OF FASHION, He adheres strictly to the principle of using none but First-class Genuine Materials, and allows no slop work to be put in; his prices being equally as moderate as those of the Unscrupulous Puffing Slop-Clothing Houses.
