MR. HENRY DRIVER, on behalf of the New Zealand Loan and Mercantile Agency Company, reports as follows for the week ending October 25, 1876:—

Fat Cattle.—Only a moderate supply of 105 head were yarded, about two-thirds of which were of good to very prime quality, especially a lot of the N.Z. and A.L. Co.'s, which averaged a little ever £16 each. In consequence of the short supply, prices obtained showed a slight advance on last week's quotations; prime quality bringing fully 40s per 100lbs. We sold 35 head on account of Mr. Jchn Anderson, of Wyndham station, at full market rates, and have placed 40 head privately.

Fat Sheep.—There was also a moderate supply of 1200 cross-breds penned, all of which were taken by the trade at a further advance on last week's rates, some prime heavy-weight cross-breds.

advance on last week's rates, some prime heavy-weight cross-breds, realising as high as 20s 3d each. This should not, however, be taken as a criterion of the state of the market, as this rate may be considered exceptional, on account of short supply and the trade being entirely out of stock. We sold, on account of Messrs David-son, Maben, and others, 650 at full market rates. Fat Lambs.—Only a few were penned, which we sold at 16s

each.

Store Cattle.—There is a good demand for well-grown bullocks and cows. At Mosgiel, yesterday, we sold 150 head on account of Mr Walter Miller, which brought up to £8 10s for bullocks and £6 10s for cows. This sale may be considered the highest this season.

Wool.—The early summer weather has caused shearing to commence early, a few lots having already come into town. Fair

prices are offering—8d to 9d per lb. for greasy half-bred.

Sheepskins.—We offered this afternoon, at our usual weekly auction, a catalogue of 3080 skins, which were well competed for, and brought full rates. Butcher' cross-breds sold at 4s 6d to 5s 2d; merinos, 3s 10d to 4s 3d; dry skins, cross-breds, 3s 9d to 4s 10d; merinos, 10d to 3s 6d.

Hides were in good demand. We sold butchers' green, 16s 9d to 21s; medium salted, 15s 6d to 16s 6d, or 34d per lb; heavy, fine

to 21s; medium salted, 15s 6d to 16s 6d, or 34d per 1b; heavy, fine condition, a lot of 50, 25s each, or 4d per 1b.

Tallow.—Mixed sold at 28s 6d to 29s; good tallow wanted.
