

FINDLAY AND CO'S
OTAGO STEAM SAW,
PLANING MOULDING, DOOR, AND
SASH FACTORY,
 Cumberland, Stuart, and Castle streets,
DUNEDIN.

They beg to intimate to Builders, Contractors, and the Public generally, that having just completed extensive alterations to their Plant and Premises, they are now in a position to execute all orders entrusted to them with the utmost despatch.

All the Machinery is on the best and most modern principles; customers can, therefore, rely upon all work being done in the best possible manner.

We would call special attention to our Door, Sash, Turnery, and Moulding Department, as recent improvements have enabled us to turn out large quantities of the best finish and design.

As we import large quantities of our Colonial timber in bulk, we are prepared, with our large sawing appliances, to cut on the shortest notice to any size.

Our stock, which comprises all the requirements of the Building Trade—including Builders' Ironmongery of every description—is at present too large to be noted in an advertisement.

Our very large Shed and Building Accommodation enables us to keep all stock suitable for up-country purposes, or which would be injured by exposure, completely under cover.

All Orders, coastwise or up country, shall receive our best attention.
