This Company has prior claims upon the patronage of New Zealand Colonists, as it was the first Insurance Company established in New Zealand; and being a Local Institution, the whole of its funds are retained and invested in the Colony. The public, therefore, derive a positive benefit by supporting this Company in preference to Foreign Institutions.

TIGER BRAND.

GREAT INDIAN CURES. TIGER BRAND.

Example of the numerous Testimonials received by the Proprietor from well-known Colonists:—

Dunedin, August 31, 1876.

SIR,—Having taken your Gollah's Rheumatic Mixture for some considerable time, and having been completely cured by its use from the very severe Rheumatic Gout from which I had suffered most severely for the last ten years, I can bear testimony to its extraordinary curative powers. I am now free from all pain, and well in my health, and have the free use of my hands and feet, which I had not previous to taking your medicine. I think it right to state, for the benefit of others suffering from the tortures that I endured for the period above stated, that I attribute my restoration to health and my freedom from pain, entirely to the use of your invaluable medicine. I can strongly recommend it to those suffering from Rheumatism or Gout.

(Signed) **JOHN GRIFFEN, J.P.**

The extraordinary and constant cures being effected by these never-failing remedies in every part of the Colony, warrant the assertion that they have NO EQUAL for Certainty of Cure. They can be had of all respectable Chemists and Medicine vendors throughout New Zealand.
