There has been forwarded to us for inspection, the result of the analysis by Professor Black of a variety of Beverages procured from the establishment of Messrs. Thomson and Co., Aerated Water and Cordial Manufacturers, Stafford-street, by Mr. Lumb, Inspector under the Adulteration of Food Act, 1866. Of the Medicinal and other Beverages analysed, amongst which were samples of Quinine, Champagne, Soda Water, and Lemonade, Cordials, and Bitters, Professor Black speaks very highly. "There are none," he says, "that contain anything likely to be injurious to health. All are of excellent quality."—*Otago Guardian*, December 4, 1874.

HOLLOWAY'S PILLS

THE GREATEST

WONDER OF MODERN TIMES.

Long experience has proved these famous
remedies to be most effectual in curing either
the dangerous maladies or the slighter com-
plaints which are more particularly incidental
to the life of a miner, or to those living in
the bush.

Occasional doses of these Pills will guard the
system against those evils which so often be-
set the human race, viz.:—coughs, colds, and
all disorders of the liver and stomach—the
frequent forerunners of fever, dysentery, diar-
rhoea, and cholera.

HOLLOWAY'S OINTMENT

Is the most effectual remedy for old sores
wounds, ulcers, rheumatism, and all skin dis-
ease; in fact, when used according to the
printed directions, it never fails to cure alike
deep and superficial ailments.

These Medicines may be obtained from all
respectable Druggists and Storekeepers
throughout the civilised world, with direc-
tions for use in almost every language.

They are prepared only by the Proprietor,
Thomas Holloway, 533 Oxford-street, Lon-
don.
