

DUNEDIN WOOL SALES.

SEASON 1897—98.

TO THE WOOL GROWERS OF OTAGO AND SOUTHLAND.

GENTLEMEN,—The near approach of another Wool Season induces us to again tender you our services as Brokers for the sale of your Clip in this market, or for shipment thereof to our London agents, making Liberal Cash Advances thereon, if required.

Our Wool Exchange is now being cleared and prepared for the reception of the ensuing Clip, and being commodious, brilliantly lighted, and specially designed and arranged for the best display of the wool, it offers unequalled advantages to growers. Ample space being available, there is room for the fullest display of sample bales, and in the case of small lots, the entire Clip is shown.

As our Exchange is connected by private siding to rail and wharves, we are enabled to give buyers special facilities in getting their purchases rapidly cleared and shipped, and trucks containing growers' consignments are delivered direct into store without unloading.

The Dunedin Market is now fully accredited as the best selling centre. There is a strong force of Local and Provincial Buyers, and also a large number of buyers from England, the Continent, and America, who regularly attend our Sales, and in addition to the healthy competition thus secured, the yearly increasing requirements of our local Woollen Factories, which have to be supplied here, have an important effect in regulating and maintaining values at our Dunedin Sales. We can, therefore, strongly recommend growers to submit their wools at our Dunedin Sales, as we feel convinced it will be to their advantage to do so. The yearly increasing quantity sold here proves that this is the best selling market, and we feel assured that if a comparison were made, it would be found that better results have been secured by selling here than by shipping to London.

Our Sales will be held as usual at the auction rooms of the Wool Broker's Association, where (as large catalogues will be offered) a full attendance of buyers, and the best competition will be assured. The Sales have been fixed to be held as follows:—

First Sale, Tuesday, 21st December, 1897.

Second Sale, Monday, 10th January, 1898.

Third Sale, Friday, 4th February, 1898.

Fourth Sale, Thursday, 24th February, 1898.
