OUR Business depends on the fullest return of your confidence and on giving overvalue rather than undervalue for money spent with us. If our Emporium were no better than the average, we wouldn't say a word about it, but would have to take the chance with the rest. But we know it is better because you say so, and because you keep on saying so. Our trade in

BOOTS AND SHOES

is growing all the time. Goods well bought are half sold. We buy in large quantities and get every discount going. That is why our prices are the lowest in the trade. Our retail prices are the same as the average dealer pays, and the public get Footwear of excellence for a small outlay.
