WHY DO YOU SUFFER? Why do you go on from day to day getting from bad to worse? Why have you a **weak back? Rheumatism, Nervous Spells, Kidney troubles, Sciatica, or Indigestion?** Don't you know that if your body had a normal supply of Electricity that these troubles could not last? You can't be ill when you are full of Electricity.

DR. McLAUGHLIN'S ELECTRIC BELT

Cures all such troubles; it pumps new energy into your system, adds new vitality to your nerve centres; renews the run-down or over-worked organs, and cures in three months without the use of **Drugs**.

I am very pleased with the Belt. I have not had a day of sickness since I got it. Already it is curing me; so I reckon in a few months I will be my own self again. I am very thankful to you for your kindness to me in the way you have helped me. The Belt is working first-rate. —Yours truly,
A. Shurst, November 22, 1903.
