

TALKS
(Introductory)
TO WIVES.

THE Proprietors of "TIGER TEAS" have every reason to feel gratified at the fact that, in the face of additional competition and the added number of coupon teas put on the market of late years, the steady yearly increase in the output of "TIGER" continues undiminished.

This is the most eloquent testimony that could be given of the sterling quality and constant reliability of this, the most popular New Zealand blend.

To the large number of wives throughout New Zealand who enthusiastically proclaim the virtues of the "TIGER" brand, and have used it constantly since its inception, and to that ever-increasing army of younger wives who are daily recognising that it is the standard of Tea value, we return thanks.

If you watch this space we hope to have a number of agreeable and friendly talks with you on mutually interesting topics.

In regard to the Water itself, as a table beverage it can be confidently recommended. Beautifully cool, clear and effervescing, the taste clean, with just sufficient chalybeate astringency to remind one that there are healing virtues as well as simple refreshment in the liquid, this Mineral Water ought soon to become popular amongst all who can afford the very slight cost entailed."

We supply the Dunedin and Wellington Hospitals, the Union Company's entire fleet, and Bellamy's with our Pure Mineral Water. Specially-made Soda Water for Invalids. For Permit to visit Springs apply Dunedin Office
