

CHILDREN'S CHRISTMAS COMPETITION.

Acting on our Advertising Manager's advice, we have decided to hold a series of Competitions for Children under the age of 18 years.

The Contests will, we are sure, be hailed with satisfaction by Parents and Children alike, and will be both interesting and instructive. The tasks set will be specially selected to suit the capabilities of youthful minds, and the age of each competitor will be taken into consideration when awarding the prizes, so that everyone will have a fair chance. Particulars of the First Contest will be published early in September, and the prizes will be awarded in time for Christmas, so we shall call the first competition the

"CHILDREN'S CHRISTMAS BOX COMPETITION."

Watch for further particulars, and get ready to join the "TIGER TEA-JUVENILE LEAGUE."

Bottled only at Springs, Wai-Rongoa.

The *New Zealand Medical Journal* says

In regard to the Water itself, as a table beverage it can be confidently recommended. Beautifully cool, clear and effervescent, the taste clean, with just sufficient chalybeate stringency to remind one that there are healing virtues as well as simple refreshment in the liquid, this Mineral Water ought soon to become popular amongst all who can afford the very slight cost entailed."

We supply the Dunedin and Wellington Hospitals, the Union Company's entire fleet, and Bellamy's with our Pure Mineral Water. Specially-made Soda Water for Invalids. For Permit to visit Springs apply Dunedin Office
