The world is full of chronic invalids, who have got into that condition by first neglecting a cold and then getting wrong treatment. There is a pretty prevalent idea about that colds and coughs are slight ailments. That is one of the popular errors on which churchyards grow fat. When you get a cold, get right to work on it, and don't waste time. If you must go to a doctor—if you are one of the scared and timid sort—get the best man in your neighbourhood. If you want to save time and money, get a bottle of **TUSSICURA** and doctor yourself according to directions. **TUSSICURA** is abroad in the land on an errand of mercy. Where other physics fail, it succeeds; and these other physics are mostly expensive, while **TUSSICURA** is very cheap. Benevolent clergymen and district visitors are finding these things out, and **TUSSICURA** finds its way to many sick rooms by such gentle hands. If you have a sick friend suffering from any pulmonary or bronchial trouble, you can undertake an errand of mercy yourself, and get a glow of virtue at a very small cost.

Obtainable from all Merchants throughout the Colony.
