The world is full of chronic invalids, who have got into that condition by first neglecting a cold and then getting wrong treatment. There is a pretty prevalent idea about that colds and coughs are slight ailments. That is one of the popular errors on which churchyards grow fat. When you get a cold, get right to work on it, and don't waste time. If you must go to a doctor—if you are one of the scared and timid sort—get the best man in your neighbourhood. If you want to save time and money, get a bottle of TUSSICURA and doctor yourself according to directions. TUSSICURA is abroad in the land on an errand of mercy. Where other physicks fail, it succeeds; and these other physicks are mostly expensive, while TUSSICURA is very cheap. Benevolent clergymen and district visitors are finding these things out, and

TUSSICURA finds its way to many sick rooms by such gentle hands. If you have a sick friend suffering from any pulmonary or bronchial trouble, you can undertake an errand of mercy yourself, and get a glow of virtue at a very small cost.

Obtainable from all Merchants throughout the Colony.
