

What are you doing to give pleasure to your Family and Friends?

Have you ever thought of the enormous amount of enjoyment you could have yourself and give to others if you possessed an up-to-date phonograph.

It is a fact that these machines have been brought to such perfection that the early makes are only hideous nightmares compared with the

Silver-voiced EDISON PHONOGRAPH and the World-famed Colombia GRAPHOPHONE

It is a fact that prices are lower than ever, and you can now buy a modern type of instrument at a price that will surprise you. Send for particulars of these wonderful instruments.

What does it mean?

It means that when a few friends drop in you can entertain them with songs by the world's best singers (opera and ballad), favorite music hall ditties, coon songs, and choral music, solos on the violin, piano, cornet, flute, brass band and orchestral selections—in fact, the whole world of music is at your feet, and you can enjoy the finest and most delightful music which is to-day thrilling the largest audiences of the world.

You can always get fresh supplies of records at 1s 6d and 2s each. Think of the pleasure there is in it! A few new records now and again give the charm of continued novelty.
