House and Farm use.

"Champion" and Webster Agree

OUR friend WEBSTER, in his revised edition, gives the follow-
ing definitions, which agree with ours, hence our defiant
attitude on behalf of the WORKERS during the last SIX YEARS

TRUST—"An organisation formed mainly for the purpose of regu-
lating the supply and price of commodities, etc., as a sugar,
steel, or flour trust."

COMBINE—"To form a union, to agree, to coalesce, to confed-
erate."

ASSOCIATION—"Union of persons in a company or society for
SOME PARTICULAR PURPOSE; as the American Associa-
tion for the advancement of science; A BENEVOLENT ASSO-
CIATION."

N.B.—WE ARE IN NO WAY CONNECTED with any of the
above concerns; free in every respect, and we intend to remain so,
with the WORKERS' assistance.

WORKERS, we are benevolent to a degree. This you know, and
we must bashfully admit it, also exponents of the science known as
the NOBLE ART when danger is hovering round you, fully verified
in our recent tussle with those "RIGHT AT THE TOP," and the
long combat with the FLOUR TRUST, which naively poses as an
association.

But with your valuable assistance, we are Still "Champion."

The only matters that baffle your CHAMPION are advancing
wheat markets, caused by droughts and shortages throughout the
world, and we crave your indulgence until the laws of Nature have
adjusted them.

So kindly rally round your "CHAMPION" "STANDARD"
once more, and the victory is yours.
