Do You take Coffee  
for Breakfast? . . .

You should! because coffee is the bev-  
erage that Nature has provided for you  
to start the day on. It is the ideal  
breakfast beverage, and is permeated  
with body building elements.

“CLUB” COFFEE

(The Perfect Coffee)

Is a genuinely nutritive, stimulative  
tonic. After partaking of it your nerve  
and energy power will be at their high-  
est level.

“CLUB” Coffee has won for itself a  
colonial reputation for its delightful  
palatable flavour. The result is that  
the get-up of the tins are being copied  
by rival firms. Be careful, therefore, to  
see that you get Gregg & Co.'s “CLUB”  
Coffee—the purest obtainable.

At all Grocers in 1, 2, 4, & 7lb air-tight tins

Look after your Throat!

WITH the approach of winter and the  
accompanying changeableness of the  
atmosphere, the throat and chest if at all  
weak come in for a very trying time. At the  
first sign of a cold attention should be given  
the matter, and in cases where a cold has ex-  
isted for some time, it should certainly be  
shaken off now. To remove a cold—no mat-  
ter how slight or how long standing—and to  
permanently strengthen the chest and bron-  
chial tubes, there is one effective, sure medi-  
cine, that hundreds of Christchurch people  
have proven good and true—

Wallace's Cough Elixir

This wonderful chest medicine acts by re-  
moving the disease-producing germs, which  
lodge in the throat, and by eliminating from  
the system the diseased phlegm, by making  
free expectoration easy. Most chemists sell  
Wallace and Co.'s Cough Elixir—the price  
is 1s. 6d. and 2s. 6d. per bottle—or it is pro-  
curable from WALLACE and CO., Chemists,  
High Street, Christchurch. But insist on  
having Wallace's Cough Elixir, the medicine  
that has proved its worth to hundreds of  
your own neighbours and friends.
