DRESSMAKING A SPECIALTY.

"All who would achieve success should endeavour to merit it."

WE have during the past year spared no expense in endeavouring to make our Beer second to none in New Zealand, and can now confidently assert we have succeeded in doing so.

We invite all who enjoy A Good Glass of Beer to ask for STAPLES BEST

On Draught at almost all Hotels in the City and surrounding districts

And confidently anticipate their verdict will be that STAPLES AND CO. have successfully removed the reproach that Good Beer could not be brewed in Wellington.

How to Cook Well!

The Instructions of
one of New Zealand's
Leading Teachers:—

"Pastry is most particular in requiring a HOT QUICK OVEN to cause the starch cells of flour to burst and absorb the fat. If the oven is slow—the pastry is tough.

"Bread and Cakes.—First heat the oven thoroughly some time before it is wanted, so that there will be a GOOD STEADY HEAT by the time it is required.

"Meats.—The application of a QUICK STRONG HEAT to the surface coagulates the albumen. This prevents juice escaping.

The "Hot Oven,"

"Good, Steady,"

"Quick, Strong"

Heat

essential to good cooking can always be attained by using

COALBROOKDALE

COAL.

It gives an intense, strong, and efficient heat, always under control.

You can order "Coalbrookdale"—Westport Coal from your own coal merchant—See you get "Coalbrookdale"!
