SHAVING MADE SAFE

Yes, shaving is made absolutely safe and remarkably swift by the use of the "Star Safety" Razor.

You simply can NOT cut yourself with the "Safety." Then, it leaves a beautifully even surface, and takes just half the time that an ordinary razor does.

These razors are procurable at Reece's. The blades are made from the finest English steel, specially tempered by a secret process. A patent "Star" strip goes with every "Star Safety" Razor.

Write to-day for a "Star Safety" Price 8/6, post free. You'll find it the best investment you ever made.
