Do You take Coffee for Breakfast? . . .

You should! because coffee is the beverage that Nature has provided for you to start the day on. It is the ideal breakfast beverage, and is permeated with body building elements.

"CLUB" COFFEE

(The Perfect Coffee)

Is a genuinely nutritive, stimulative tonic. After partaking of it your nerve and energy power will be at their highest level.

"CLUB" Coffee has won for itself a colonial reputation for its delightful palatable flavour. The result is that the get-up of the tins are being copied by rival firms. Be careful, therefore, to see that you get Gregg & Co.'s "CLUB" Coffee—the purest obtainable.

At all Grocers in 1, 2, 4, & 7lb air-tight tins

Look after your Throat!

WITH the approach of winter and the accompanying changeableness of the atmosphere, the throat and chest if at all weak come in for a very trying time. At the first sign of a cold attention should be given the matter, and in cases where a cold has existed for some time, it should certainly be shaken off now. To remove a cold—no matter how slight or how long standing—and to permanently strengthen the chest and bronchial tubes, there is one effective, sure medicine, that hundreds of Christchurch people have proven good and true—

Wallace's Cough Elixir

This wonderful chest medicine acts by removing the disease-producing germs, which lodge in the throat, and by eliminating from the system the diseased phlegm, by making free expectoration easy. Most chemists sell Wallace and Co.'s Cough Elixir—the price is 1s. 6d. and 2s. 6d. per bottle—or it is procurable from WALLACE and CO., Chemists, High Street, Christchurch. But insist on having Wallace's Cough Elixir, the medicine that has proved its worth to hundreds of your own neighbours and friends.

CHRISTCHURCH DENTAL CHAMBERS.
IN UNQUALIFIED SUCCESS IN THE SCIENTIFIC ART OF UP-TO-DATE DENTISTRY.

A LEGALLY Qualified and Registered Practitioner of some years' standing feels it due to his wide professional knowledge in the study and deep research of the intricacies of up-to-date Dentistry to introduce to the public an entirely new and successful process whereby the most difficult decayed and troublesome teeth can be extracted without the slightest pain whatever. This new method causes no unconsciousness or sickly after-effects. The patient is simply aware of what is taking place but absolutely feels no pain.

There is no experimenting and no failures, and why should one suffer the continual martyrdom of Pain, Nervousness, Indigestion, and Functional Disturbances arising from bad teeth when such an opportunity presents itself of removing the cause of all these troubles without pain?

All patients may depend upon receiving the greatest care and attention, as a Skilful and Expert Specialist is constantly in attendance, also a Lady Assistant for ladies and children. Gas, Chloroform, or Ether also administered if required.

The surgeries are fitted up with the very latest Electrical Appliances for all sorts of Fillings, Porcelain Inlays, Crown and Bridge Work.

Note the Address: First Flat Wardell's Buildings, corner High and Cashel Streets, where there are seven-rooms, consisting of Surgeries, Waiting-room, Mechanic and Plate Department. Plates made only of very best materials and the fit guaranteed, or no charge made.
