Cheviot

(From an Occasional Correspondent.)

A social was held here on Anniversary night, December 16, in aid of the church furnishing fund, and was in every way a pronounced success. The Town Hall, which was crowded to its utmost capacity, was tastefully decorated for the occasion, and a supper was laid in the room adjoining. The committee, Misses M. Hayes, E. Haughey, A. Hayes, M. McIlroy, M. Flaherty, T. Coakley, V. Brocherie, and Messrs. C. Edward, L. Madden, D. Haughey, L. Goggan, W. Bowen, J. Walley, and W. Costello, are deserving of the greatest praise for the manner in which they carried out the details. During the evening songs were contributed by Miss Winterbourne, and Messrs. Allan, Holton, and Madden, Mrs. Gee and Miss Haughey being accompanists. Mr. E. Edward, on behalf of the parishioners, thanked the audience for their attendance, and apologised for the absence of Father Richards. The proceeds will be a substantial addition to the funds in aid of furnishing the church. Much credit for the success is due to the energetic secretary, Mr. D. Haughey.

Bad Bowels Cause 90 per Cent of Disease and Death

Keep your bowels in a healthy condition. But few people contract diseases of any kind if their bowels and stomach are healthy.

By keeping these organs open and well there is mighty little chance of your being sick. Neglect them, and you are holding the door open to insidious diseases—you are actually inviting diseases to step in. There are many people who, though never seriously ill, frequently feel 'out of sorts,' languid, tired, without energy, and generally 'run down.' Their stomachs are always weak, and constipation is usually present.

To such people DR. ENSOR'S TAMER JUICE acts as a friend in need. Ten to 30 drops with a little water after meals braces up every organ to vigorous action, and imparts strength to the whole system. This fine old family remedy does just what is promised—no claim has ever been made for it that was not substantiated by ample proof. Dr. Ensor's Tamer Juice is truly a wonderful stomach medicine, a safe and effectual laxative, and an ideal liver corrective. It is the best and safest antidote ever compounded for dyspepsia, flatulence, stomach acidity, constipation, biliousness, sick headache, and general 'out of sortsness.' Sold by all medicine dealers in bottles, 2s 6d each. Always buy the genuine. The Tassicura Manufacturing Co., Dunedin, sole proprietors and manufacturers.
