DR. ENSOR'S TAMER JUICE

COMPOSED OF 16 VALUABLE INGREDIENTS.

USED REGULARLY IN OVER 30,000 NEW ZEALAND HOMES.

An eminent physician says:—'Indigestion, gastritis, dyspepsia, or whatever name you may call it, is a disease that causes more suffering, pain, and misery than any other disease in the vocabulary of medicine—even more so than cancer or consumption, for these last are not one-thousandth part so prevalent, and when they do attack the body they must be soon cured, or death ensues, whereas in indigestion no cure or death may take place, but the sufferer drags out a miserable existence year after year. Frequently the sufferer has no idea what is the matter or cause of his wretched feelings. Indigestion is a hydra-headed monster that should not be neglected.'

Food, well digested, is the origin of strength; imperfectly digested, as in indigestion, it is the fruitful source of illness. Heart ailments, liver complications, kidney troubles, constipation all follow indigestion just as surely as night follows day. In over 30,000 New Zealand homes Dr. Ensor's Tamer Juice is a regular standing and family friend. A few drops in a little water after each meal always ensures perfect digestion and regular work on the part of other organs. It can be taken by men, women, and children. Being composed of the active medicinal portions of roots, barks, and herbs only, it can do no harm to anyone. Dr. Ensor's Tamer Juice may be taken by old or young, weak or strong, and does good whenever taken. Sold in bottles, 2s 6d each, by all medicine dealers. The Tussicura Manufacturing Co., sole proprietors and manufacturers, Dunedin.
