

"BEGG'S" PIANOS

SOME people have the idea that if the external appearance of a Piano is attractive and the tone fairly pleasant, the instrument is all right.

This is a delusion; many have found it so—too late.

The Pianoforte is a piece of extremely complicated mechanism. Naturally, it follows that if you want to be sure of securing a thoroughly satisfactory instrument you must rely upon those who understand the principles of construction which go to produce Perfection in Tone, Delicacy of Touch, and Reliability in Make. For more than 40 years "BEGGS" have been the Leading House for Musical Instruments.

Their wide experience enables them to guarantee the Instruments they sell.

Whether you purchase a Piano at £35 or 200 guineas, you can have confidence in getting from "BEGGS" the utmost value and perfect satisfaction.

You are invited to call and look through the Show Rooms.

"BEGGS" Hire-Purchase System of easy payments makes it possible for almost every family to own a GOOD Piano.

How About Your Heart?

IF you knew that you would die the moment your watch stopped, wouldn't you be very careful that it should always be kept in perfect condition? Of course you would. Well this is exactly the case with your heart. Did you ever think of it in this sense? Perhaps not, but your doctor has, and that's just why he feels your pulse the first thing. Your pulse is your heart's indicator—the vital organ in your body. He wants to know if this all-important, this vital organ of the body, is beating too fast or too slow, or if there is any irregularity in its action. Have you shortness of breath after slight exertion, palpitation, fluttering, hot flushes, pain or tenderness in left breast, side, shoulder, or arm, pain under left shoulder-blade, oppressed feeling in chest, choking sensation, weak or hungry spells, smothering or fainting spells, or does lying on your left side give you pain or discomfort? If you have any of these symptoms, your heart action is weak, and you don't require anyone to tell you about it—you know it for yourself. Do not neglect the matter longer—it is too serious for delay. Start a course of Dr. Day's Heart-Help today. This famous medicine has made many a heart strong—has restored health and happiness to many a poor sufferer. Give it a fair trial. Your chemist can supply Dr. Day's Heart-Help at 4/6 per bottle, or it will be sent post free on receipt of price by Dr. Day's Heart-Help Co., Cathedral Square, Christchurch.

CHRISTCHURCH DENTAL CHAMBERS.

IN UNQUALIFIED SUCCESS IN THE SCIENTIFIC ART OF UP-TO-DATE DENTISTRY.

A LEGALLY Qualified and Registered Practitioner of some years' standing feels it due to his wide, professional knowledge in the study and deep research of the methods of up-to-date Dentistry to introduce to the public an entirely new and successful process whereby the most difficult decayed and troublesome teeth can be extracted without the slightest pain whatever. This new method causes no unconsciousness or sickly after-effects. The patient is simply aware of what is taking place but absolutely feels no pain.

There is no experimenting and no failures, and why should one suffer the continual martyrdom of Pain, Nervousness, Indigestion, and Functional Disturbances arising from bad teeth when such an opportunity presents itself of removing the cause of all these troubles without pain?

All patients may depend upon receiving the greatest care and attention, as a Skilful and Expert Specialist is constantly in attendance, also a Lady Assistant for ladies and children. Gas, Chloroform, or Ether also administered if required.

The surgeries are fitted up with the very latest Electrical Appliances for all sorts of Fillings, Porcelain Inlays, Crown and Bridge Work.

Note the Address: First Flat Wardell's Buildings, corner High and Cashel Streets, where there are seven rooms, consisting of Surgeries, Waiting-room, Mechanic and Plate Department. Plates made only of very best materials and the fit guaranteed, or no charge made.
