

"BEGG'S" PIANOS

SOME people have the idea that if the external appearance of a Piano is attractive and the tone fairly pleasant, the instrument is all right. This is a delusion; many have found it so—too late.

The Pianoforte is a piece of extremely complicated mechanism. Naturally, it follows that if you want to be sure of securing a thoroughly satisfactory instrument you must rely upon those who understand the principles of construction which go to produce Perfection in Tone, Delicacy of Touch, and Reliability in Make. For more than 40 years "BEGGS" have been the Leading House for Musical Instruments.

Their wide experience enables them to guarantee the Instruments they sell.

Whether you purchase a Piano at £35 or 200 guineas, you can have confidence in getting from "BEGGS" the utmost value and perfect satisfaction.

You are invited to call and look through the Show Rooms.

"BEGGS" Hire-Purchase System of easy payments makes it possible for almost every family to own a GOOD Piano.

THE MOST POPULAR COFFEE IN THE DOMINION.

From the North Cape to the Bluff 'Club'
Coffee has proved its superiority over all
others to such an extent that probably
more of it is sold than all other brands
put together. That is why the get up of
it has been so closely copied by other
manufacturers.

"CLUB" COFFEE

Is such a surprisingly good Coffee that those
who once try it will never afterwards have
any other brand. A perfect system of
manufacture, combined with our superior
facilities for importing the best quality
beans, is largely responsible for the exquisite
flavour of "Club" Coffee. But, try it!
You'll be astonished that you could have
put up with other kinds. It's so different!

How About Your Heart?

IF you knew that you would die the
moment your watch stopped, wouldn't
you be very careful that it should always be
kept in perfect condition? Of course you
would. Well this is exactly the case with
your heart. Did you ever think of it in
this sense? Perhaps not, but your doctor
has, and that's just why he feels your pulse
the first thing. Your pulse is your heart's
indicator—the vital organ in your body.
He wants to know if this all-important, this
vital organ of the body, is beating too fast
or too slow, or if there is any irregularity
in its action. Have you shortness of breath
after slight exertion, palpitation, fluttering,
hot flushes, pain or tenderness in left breast,
side, shoulder, or arm, pain under left
shoulder-blade, oppressed feeling in chest,
choking sensation, weak or hungry spells,
smothering or fainting spells, or does lying
on your left side give you pain or discomfort?
If you have any of these symptoms,
your heart action is weak, and you don't
require anyone to tell you about it—you
know it for yourself. Do not neglect the
matter longer—it is too serious for delay.
Start a course of Dr. Day's Heart-Help to-
day. This famous medicine has made many
a heart strong—has restored health and
happiness to many a poor sufferer. Give it
a fair trial. Your chemist can supply Dr.
Day's Heart-Help at 4/6 per bottle, or it
will be sent post free on receipt of price by
Dr. Day's Heart-Help Co., Cathedral Square,
Christchurch.

CHRISTCHURCH DENTAL CHAMBERS. IN UNQUALIFIED SUCCESS IN THE SCIENTIFIC ART OF UP-TO-DATE DENTISTRY.

A LEGALLY Qualified and Registered
Practitioner of some years' standing
feels it due to his wide professional know-
ledge in the study and deep research of the
methods of up-to-date Dentistry to introduce
to the public an entirely new and successful
process whereby the most difficult decayed
and troublesome teeth can be extracted
without the slightest pain whatever. This
new method causes no unconsciousness or
sickly after-effects. The patient is simply
aware of what is taking place but absolutely
feels no pain.

There is no experimenting and no failures,
and why should one suffer the continual
martyrdom of Pain, Nervousness, Indiges-
tion, and Functional Disturbances arising
from bad teeth when such an opportunity
presents itself of removing the cause of all
these troubles without pain?

All patients may depend upon receiving
the greatest care and attention, as a skilful
and Expert Specialist is constantly in at-
tendance, also a Lady Assistant for ladies
and children. Gas, Chloroform, or Ether
also administered if required.

The surgeries are fitted up with the very
latest Electrical Appliances for all sorts of
Fillings, Porcelain Inlays, Crown and Bridge
Work.
