MR. COHEN'S EXPERIENCE.

In the course of numerous experiments with rheumatic and gouty subjects, scientists noticed that the blood of every patient contained excess uric acid. Many prescriptions to neutralise and expel this uric acid were tried, but without success. One of New Zealand's leading chemists worked on the problem for many years. At last he compounded a medicine which cured practically every case—even those who had suffered for over twenty years. One told another of this wonderful medicine—RHEUMO—and thus the sales grew. RHEUMO always gives relief. Read the testimony of Mr. Falk Cohen, a well-known Wellingtonian, member of the City Council:

"I experienced a very bad attack of rheumatic gout; so bad that I had to leave business. On arrival home, I immediately took a dose of RHEUMO, repeating same every four hours. The pain soon left, and in the morning I came down to business as usual. I can confidently recommend it to anyone suffering from rheumatic gout or rheumatism."

RHEUMO cured Mr. Cohen, and will cure you. Get a bottle to-night, and you will find relief. All chemists and stores sell RHEUMO at 2s 6d and 4s 6d.
