A CENTURY OF CRIMINAL LAW.

VOLTAIRE'S observations on his visit to England in 1726-29 are contained in a dozen or more sayings that are as bitter in the mouth as the juice of sorrel. In one of these an element of truth underlies the sarcasm. 'The hangman,' said he, speaking of his 'cross Channel neighbors,' 'should write their history, for he usually settles their disputes.' The soured dramatist-historian alluded to the great number of offences that were in his day visited with the extreme penalty of the law in the British Isles. In his own country and in other Continental nations capital offences were, by comparison, rare. As late as 1757 an Act was passed in France inflicting the penalty of death on the authors of impious works. But the representatives of the French
