THE GREATEST
WONDER OF MODERN TIMES!

HOLLOWAY'S PILLS

Long experience has proved the efficacy of these pills to be most effectual in curing either the distressing or the most slightest complaints which are more particularly incidental to the life of a woman, or to those living in the bush.

Occasional doses of these Pills will guard the system against those evils which so often beset the human race, viz.—coughs, colds, and all disorders of the liver and stomach—the frequent forerunners of fever, dysentery, diarrhoea, and cholera.

HOLLOWAY'S OINTMENT

Is the most effectual remedy for old sores, wounds, ulcers, rheumatisms, and all kinds of skin diseases, when used according to the printed directions, it never fails to cure alike, deep and superficial ulcers.

These Medicines may be obtained from all respectable Druggists and Storekeepers throughout the civilised world, with directions for use in almost every language.

They are prepared only by the Proprietor, Thomas Holloway, 517 Oxford Street, London.
