THE GREATEST  
WONDER OF MODERN TIMES!

**HOLLOWAY'S PILLS**

Long experience has proved the efficacy of these pills to be most effectual in curing all the diseases of the bowels, and the slighter complaints which are more particularly incidental to the life of a man, or to those living in the bush.

Occasional doses of these Pills will give the system against those evils which so often beset the human race, viz:—coughs, colds, and all disorders of the liver and stomach—the frequent forerunners of fever, dysentery, diarrhoea, and cholera.

**HOLLOWAY'S OINTMENT**

Is the most effectual remedy for old sores, wounds, ulcers, rheumatism, and all skin diseases. In fact, when used according to the printed directions, it never fails to cure alike, deep and superficial sores.

These Medicines may be obtained from all respectable Druggists and Storekeepers throughout the civilized world, with directions for use in almost every language.

They are prepared only by the Proprietor Thomas Holloway, 522 Oxford Street, London.

"I feel it my duty to suffering humanity to let them know that in many cases where doctors have been deceived in extraordinary symptoms of complicated constitutional affections there is still hope, as in my case. Eleven months in Prince Alfred Hospital, eight months in St Vincent at Melbourne, where specialists cut one rib out and left me a total wreck, yet it was my only chance after a bad horse accident. I tried all kinds of medicines. It cost me £200 in two years. Knowing of Warner's Safe Cure for years, although I had no faith in potent medicines, realising my case was bad I tried it. After a bottle I felt better, and after two bottles with Safe Cure I am better to-day than I have been for five years. Warner's Safe Cure cannot put a new man in my right side, but it helps my liver and kidneys in natural condition. I am now able to follow my profession. I can always be found with Fitzgerald Bros. Circus."
