TAKE NOTE!!

THE old proverb says: A stitch in time saves nine; or, to put another construction on the words: A shilling in time saves pounds. The words are indeed true, and yet what a number of people do we find letting pounds and pounds worth of music and books go to wreck and ruin when the expenditure of a few shillings in binding would prevent this sad waste and give them volumes handsome to look upon and a pleasure to handle in place of a lot of tattered and torn leaves. Be warned in time and send your music, etc., for binding to
